Race #2

(3) OUR CLOSURE

Conditioner Gerald Brooks, made a sharp claim with this mare last month, after she won two in a row. He had to raise according to the claiming rules and tried her going short in the SOC. She faltered there, and now he has put her right back where he found her, and in addition, she is stretching out to a flat mile, her distance. She was closing hard last time only beaten 3 ½ lengths in that SOC. She won't have to work near as hard today and looks like the cinch in this race. A must use in exotic wagers.

SPOT PLAY OF THE DAY

Race # 1

(6) VEIL DANCE

A mare with a ton of back class, she invaded PID last out and was promptly stopped by a traffic issues. If she gets a clean trip today, she is going to be ultra-tough. The "Magic Man" Mario Pino is back aboard, and Conditioner Mike Rogers said that the mare is training extremely well over the strip after her first trip over the strip. Look for at least 3/1 with this mare today.
