Race #8

(11) CORTEGE

Cortege has new found life since coming to PID. This son of Leroidesanimaux, has been solid since his arrival finishing on the board two of three times for Trainer David Markgraf. The Magic Man Mario Pino is back aboard as the Pilot, after a second place and a victory last out. He's 5/6 at the distance, and goes right back where he was last out. With good tactical speed, he should lay just off the pace and pounce when needed.

SPOT PLAY OF THE DAY

Race # 4

(4) GOLDEN OAK

This gelding drops back in here at PID after a miscue at Del last time out stumbling and losing the Jock. Has shown an affinity for this track, finishing a solid second two back, and closing hard going 6 Furlongs. He adds ½ a furlong today which should only increase his chances.
