Race #3

(4) KID RUSSELL

Everything remains the same with Kid Russell, and he drops back into the same spot that he was in last out. He was only beaten a length by a very speedy Straightouttadutton, and has a good deal of back class having run in two stakes so far in his short career. Conditioner John Bourke, said that he is training well and should be the one entering the Winner's Circle tonight.

Race # 4

(10) AMARI S.

This Filly by Point of Entry has been training very well, and Conditioner Mike Pappada has said that she is outworking all of the expensive 2yr olds in their barn. She is very well bred for the surface and just worked the bullet on 9/13.
