Race #5

(11) SPANKHURST

This gelding by Speightster and out of an Artie Schiller mare, is impeccably bred for this surface. Conditioner Adam Rice is no stranger to getting 2 yr. olds to run, and if his most recent bullet work is any indication, then this boy is ready to go. He draws in off of the AE List and that actually is a plus because he will be the last to load, so not much chance of a delay for him. In addition, you get the services of leading Rider Pablo Morales.

SPOT PLAY OF THE PLAY

Race #6

(4) I ZOOM

Only beat 2 lengths last out, this quirky mare did something that she has never really done before, and that's to continue to fight after she did not get the lead. It looks as if she will get the lead this evening, and if she does and gets to the rail, she is extremely hard to get passed. She has 17 victories at PID and 10 victories at the distance, regular Pilot, Villa-Gomez is aboard for Conditioner Ron Potts.
