Race #5

(4) SOPHIE'S ANGEL

She gets a drop in class today after exiting a very tough open \$20k claimer, in which she faced a very tough Texas Music and in the SOC race two back she was only beaten a ½ length by an extremely good Lawn Dart. The extra ½ Furlong should only benefit this mare tonight, as she has been showing close each of her last three starts here over the PID Strip. If she replicates those three efforts she should find the Winner's Circle this evening.

LONGSHOT PLAY

Race #6

(3) NAMARUNU (GER)

Namarunu (GER), made his return to PID sprinting after a long layoff and only beaten 3 ¼ lengths against a very tough group, he is now back to the distance in which he belongs. Conditioner Mike Pappada, said that the horse continues to improve and should be a major player in tonight's event.
