Race #8

(1) ENTHRONED

Conditioner Mike Rogers picks up this well bred filly over the spring and now has her ready on the drop from Mdn \$15k down to the Mdn \$7.5k. He is getting aggressive and looks to be the best in this spot. She ran a pair of seconds last two stars over the synthetic at Turfway, and in her last start was only beaten a length by a horse that came back to win her next start. She cuts some distance tonight and looks the best in this spot with solid speed figs.

SPOT PLAY OF THE DAY

Race # 1

(2) LUPI

Flint Stites has been shipping into PID this summer and hitting at an amazing clip. The duo of him and Willie Martinez has been deadly. They connect again here in this state bred MSW. Lupi will find some relief in this spot playing in his own sandbox. Adding distance will only add to his style and ability to win this race.
