Race #1

(3) MULTITUDE

This well-bred daughter of Tiznow has been knocking on the door the last three starts to try and graduate to N3L status. Three starts and three on the board finishes. She ran a solid second last race as the beaten favorite for a higher claiming tag, and Scott Spieth returns as the Pilot for high percentage trainer Ron Potts. She is 4/6 ITM at PID and 3/4 ITM at the Distance. She will need the speed of the 5 and the 6 to dictate some solid fractions, as she will be coming from off the pace.

SPOT PLAY OF THE DAY

Race # 4

(3) ART FORM

This daughter of Temple City exits the N2L for \$12,500 and drops into this N2L for \$6,250. She ran a solid fourth last out against a tough group at that level. She gets in easier today and should have no problem in this race graduating to the N3L ranks. Excellent breeding for this surface along with solid back class make her the horse to beat.
