### Race #6

#### (4) NO WAY NEVER

This horse has been solid at PID, 8/9 ITM here over this strip, which includes 4 victories. He gets his usual Pilot (Morales) back into the irons, which is always a good sign. There is a lot of speed in this race and his style of a "Tactical Speed/Stalker" suits his task to a T tonight. He is just an honest horse that continues to generate revenue for his connections.

## SPOT PLAY OF THE DAY

### Race # 1

#### (6) PASSIONATE EMOTION

A sharp claim by Jay Bernardin, this mare just missed last time out to Poquito Rose, who is a top selection in a later race today. She has run into tough fields the last three times, including a third while running against the boys, (Kitchen Fire and Blichton) last year here at PID. She adds distance tonight, which should enhance her racing style, which is coming off the pace.
