### Race #1

#### (7) LIGHT IN THE DARK

Conditioner Andrew McKeever sends this filly by the Factor in tonight, after running against much better competition at CD. She will get a lot of class relief tonight and this is her race to lose. She is owned and bred by one of the best Breeder's in the business, Flaxman Holdings, and her Mother was a very expensive \$290k Weanling. The Meet's leading rider, Pablo Morales, gets the mount. She should roll tonight.

## SPOT PLAY of the Day

### Race #3

#### (9) ZIDIKAI

This filly drops in here out of the State restricted PA Bred after running a very lackluster 5<sup>th</sup> in that event. She is bred top and bottom for this surface and has shown a prior affinity for it. Her prior race was nearly a winning one, and if she can replicate that effort she should dispatch of this group this evening. Ayala takes over the pilot duties this evening.
