### Race #8

#### (6) BLICHTON

This horse was rolling hard late last out against a very accomplished group. Driving at the end and drawing off, Blichton rewarded his backers with a very nice mutual at 6/1. He's back in against some familiar foes, and must remain on top if his game tonight if he wants to succeed. He's 6/9 ITM at the Distance and usual Pilot Walber Alencar is back in the irons, for conditioner John Bourke.

## SPOT PLAY of the Day

### Race #1

#### (2) MULTITUDE

This filly drops in here out of the \$12,500 N2L where she just won. Now in the N3L for ½ the TAG Price this well bred filly looks to be the best in here for Trainer Ron Potts. Not a ton of speed in this race, so that is always a concern, as she will need something to run at, but if she gets just a little bit to run at she will be the Victor this evening.
