Race #5

(1A) PIPER HILL

Gave a massive effort last out after being on the bench for an entire year. That win was incredibly impressive, especially after being off that long. Conditioner Tim Girten gave me the "THUMBS UP" upon speaking with him today about his horse's chances this evening. If you handicap the race, there is an abundance of speed and that sets up perfectly for Piper Hill, as he will be rolling like a freight train, and looking to get his picture taken.

SPOT PLAY of the Day

Race #9

(4) NOPOLITO

A very game horse, Nopolito beat less than 2 lengths last out and only beat 1 ¾ the time before that to a very game Golden Emperor. He is 21/30 ITM here at PID and 11/16 ITM at the Distance. His credentials are very good in this spot and he should reach the Winner's Circle tonight.
