Race #7

(2) THAT'S BUCKBEAK

After begrudgingly giving up the lead in deep stretch and being beaten by only $\frac{3}{4}$ of a length by Hey Big Guy, That's Buckbeak, looks to make amends this evening and get the victory for Conditioner Kevin Rice. He takes the blinkers OFF tonight and that may be the magic elixir that Team Rice needs to make this charge a winning one.

SPOT PLAY of the Day

Race #2

(4) FIELD OF COURAGE

A solid second last out to Betweenhereandcool, and third two back for \$13,500 to He's So Zazzy and Blichton (Who btw came right back to win) finds himself in a great position to get the victory this evening. He gets the meet's leading Rider, Pablo Morales and that only increases his chances of a win this evening.
