Race #4

(10) GOLDEN EMPEROR

One of the classiest horses that you'll ever meet, he is an absolute beast here at PID. Now a 10 year old and a lifetime earner of \$332k, he just keeps ticking over this course. He gets Chilly Willie back as the Pilot. Great speed figure on this horse last out, which is the best of the field.

SPOT PLAY of the Day

Race #3

(2) GREATEST GAME

Conditioner Kevin Rice drops this hard knocker back into claiming ranks after being in the SOC for the last three starts. Only beaten a ½ a length to Canadian Game, two back this horse is as game as they come. Mario Pino, is back as the Pilot and that is always a good sign.
