BEST BET OF DAY

Race #1

(4) NO DRAMA

Shipping into PID from South Florida, this son of Big Drama makes his debut here for Mike Rogers. A winner on the Tapeta at GP for \$25k, this horse now drops down several levels to \$6,250. He looks as if he is a man among boys against this group, as his odds will most likely suggest that. Most Likely a single in your exotic plays.

SPOT PLAY OF THE DAY

Race # 3

(3) DEL GRIFFITH

In for the tag for the first time in in his career, Del Griffith drops into a softer spot than what he has been used to. He looks as if he likes this distance, as he broke his maiden first out going 5 ½ F, and did it in closing fashion. You get last year's Leading Jockey in Morales and Leading in Trainer Tim Hamm as the connections. The only concern is he a better dirt horse than a Tapeta horse?
