HORSE FOR THE COURSE

Race #2

(2) WORBOTHER

Conditioner Shelly Radosevich does an amazing job with her older horses, and Worbother is no exception. With 14 wins and \$200k to his credit, one can certainly say that he has a true affinity to this oval. He comes off of a freshening over the winter, and his works are solid with his return. Watch for him to close like a freight train today, he may be 10 years old, but he has the heart of a 3 yr old. Morales back as Pilot, a positive sign.

SPOT PLAY OF THE DAY

Race # 5

(3) SAVE the DRAMA

This horse comes back to a familiar place here at PID, and looks to find another familiar place in the Winner's Circle. He's been there 10X's, and today his connections look for #11. Solid works getting ready for his '22 debut, and coming off of a very solid '21 season here at PID. With his credentials (31/55 ITM @ PID) and all of the speed in this race, he looks to be the pick with his closing style.
