## BEST BET OF THE DAY

### Race #3

### (3) BATTLE CHARGE

This Filly exits the G3 Sweetest Chant, only beaten 4 ½ lengths that day, against a salty group at GP. Only beaten a head here last year at our home track in the PID Debutante, she likes this surface, and should be a tough opponent for these other Fillies in the race. Morales back in the irons for Conditioner Tim Hamm, she worked the bullet on the 17<sup>th</sup> and it looks as if all systems are a go.

## SPOT PLAY OF THE DAY

### Race # 1

### (4) THISAINTJUMPSTREET

She ran into a buzzsaw last out with American Goddess, and really had no shot against that group. She drops into much softer competition today and should be a major factor in this heat. She has run against much tougher competition in the past, and even ran second to "Proposition", who may be the best mare on the grounds. She is 50% ITM here at PID (17/34) with 6 victories. She's the play today.
