BEST BET OF THE DAY

Race #3

(7) LIKE a SALTSHAKER

Possessing the best speed figures in the race, Like a Saltshaker comes back to the track that he loves the best. Never off the board at this distance (6X, with 4 Wins), he is going to play in his own sandbox again against some familiar foes. He has a huge amount of back class in open company and he looks like a man among boys in this spot.

SPOT PLAY of the DAY

Race # 1

(2) BOOMIN GOOSE

With 10 victories to his credit here at PID Boomin Goose is no stranger to the Winner's Circle. With solid performances the last two times out here at PID against some tough hombres, including Hey Big Guy and Detangler, both of those horses have gone on to bigger and better things. Spieth back in the irons today and looking to take his picture this afternoon.
