BEST BET OF THE DAY

Race #4

(2) *MORE RANSOM*

She ran a very solid race last out against a tough Filly named Shoshanah. That aforementioned Filly just ran second in the 1X two days ago after a horrible break. In only two starts she has not been off the board and looks poised to don the cap and gown today. She is in perhaps the hottest barn on the grounds, and has the #1 Jockey as the Pilot today.

SPOT PLAY OF THE PLAY

Race # 1

(5) *Dance or Stroll*

Emerging as one of our Grand older Mares here at PID, Dance or Stroll has shown a huge affinity for this surface. Eleven victories thus far over our Tapeta, amassing \$139K here and \$290k in total earnings, she is a prolific winner. Only beaten ½ length last time out, the third place finisher, Rolling Mo, just came back to win her next start. With Spieth back in the Irons, she looks to be the best against this group.
