BEST BET OF THE DAY

Race #7

(1) AMERICAN GODDESS

She showed her affinity for this surface last out. She was the Even Money favorite, in that race and was well deserved at that price. Conditioner Tim Girten has said that she keeps getting better and that she is training very well. A very well bred daughter of Triple Crown Winner American Pharoah, she is looking to make it 2 in a row here at PID today. Leading rider Pablo Morales back aboard this jet today.

SPOT PLAY OF THE DAY

Race # 1

(2) ANOTHER BREEZE

His speed figure in the last race dominates this fields last out numbers, and if he runs back to that race, it may be curtains for the rest of the group. His stalking/closing type pace should suit this group perfectly, as there is an abundance of speed with this lot. Angel Stanley back aboard for a very hot barn. Pappada is 41% when it comes to repeat winners.
