BEST BET OF THE DAY

Race #1

(2) ALPHA PREDATOR

Leading Jockey Pablo Morales is back aboard for Trainer Tim Hamm today after finishing second last time out. He ran a solid race in the MSW at the end of last meet last year only beaten two lengths that day as the betting favorite. He has the best speed figures of the field and in addition the strongest back class of the group. Conditioner Tim Hamm is a 24% trainer as the beaten favorite. He is by Animal Kingdom, a great Tapeta Sire.

SPOT PLAY OF THE DAY

Race # 4

(7) CANSAN SAREE

She just missed last time out against tougher company, and comes back at a cheaper claiming tag today. The drop in claiming price should be a huge help here against much lesser horses, and this Filly should graduate today from the Maiden ranks. Villa-Gomez is back aboard for Conditioner Bill Martin, who by the way is at 70% ITM.
