## BEST BET OF THE DAY

### Race #6

### (5) VINTAGE KITTEN

Making his return to PID by way of Arizona, Vintage Kitten wasted no time getting Himself and Trainer Marcus Vitali right to the Winner's Circle. After beating former Stablemate Patriot Drive last out in the AOC, he will drop down into the \$25k claiming ranks. A specialist at route races, and the defection of Nick Papagiorgio, Vintage Kitten's numbers tower over the others in this race.

## SPOT PLAY OF THE DAY

### Race # 5

### (6) AULT

A stalwart here at PID, he is back for his 10 year old year after never being off the board last year. Conditioner Bill Martin, gave this horse a freshening this past winter and if his last work is any indication (:58.80) he looks ready to rumble over the PID strip. Usual Pilot Pablo Morales is back aboard and he knows this horse very well. In addition Martin likes the horse well enough to waive the claim here and protect him from a hostile takeover.
