BEST BET OF THE DAY

Race #5

(2) PROPOSITION

What can you say about this mare, other than the fact that she is a beast on this Tapeta surface. An absolute steal out of the Keeneland November 2020 sale for \$12k, she has made that amount back in spades. Proposition is perfect over this strip, 3 starts, 3 wins. Incredibly well bred, this mare may be prepping for bigger and better things in the future, especially if she dispatches of her male foes today. It's GIRL POWER today.

SPOT PLAY OF THE DAY

Race # 7

(2) P H FACTOR

He makes his return to PID after an easy triumph on May 25th, dismantling that field. By "The Factor", a superior Tapeta Sire, this horse's pedigree and performance makes him a standout in this field. He boasts 8 victories over Synthetic surfaces and Trainer Larry Rivelli knows how to pick up solid stock and get them to win. E T Baird is also shipping in from Chicago to ride this horse, so he isn't here to whistle Dixie.
