BEST BET OF THE DAY

Race #3

(1) *AMERICAN GODDESS*

An extremely well bred daughter of Triple Crown Winner American Pharoah, this mare has proven to be a very nice horse here over this strip. An easy winner first out here in the 1X, she came right back to win the AOC also. In her last start, she ran into a very tough group, with the likes of Tactical Pajamas, and she certainly won't see any of those types in here today. She looks to be a single in your exotic plays this afternoon.

SPOT PLAY OF THE PLAY

Race #5

(2) *Tidal Waters*

He's been winning at a good clip as of late and is in very good form right now. She absolutely dominated in her last start, winning by 7 lengths in the N3L. She goes into the N4L with a full head of steam today and is coming out of one of the best barns on the backside. Tim Girten is slaying it this year at PID, with a stable full of stars at all levels. This Filly isn't any different, she's excellent at her level, and you get the dominant Jockey in the Colony.
