BEST BET OF THE DAY

Race #2

(4) *MON PARADIS*

Conditioner Matthew Kintz has been having an incredible meet here at PID this year so far, and today he brings this Daughter of Artie Schiller forward and doesn't do anything crazy, keeping her right in the same condition as last time. She ran a solid second last out and was just way overmatched in the race before that, against Music Amore, Back to Business and Serene Warrior. She's not going to face as tough foes this afternoon, and looks poised to have a Kodak moment.

SPOT PLAY OF THE PLAY

Race #3

(3) *One More Kelly*

She scratches out of the Stake today in order to find a softer spot to land in this State Bred Allowance. Coming off of three solid speed figure races, she won that last one in a hard fought victory in open company. She will play in her own sandbox today, against her own kind. She now gets the Meet's Leading Rider in Pablo Morales today and if she can handle the distance change, she should get her picture taken here.
