BEST BET OF THE DAY

Race #7

(2) *BATTLE CHARGE*

Conditioner Tim Hamm has a nice horse on his hands with Battle Charge. She is perfect ITM on the Tapeta (4 for 4) and she won't have to face Toolcat today. She has already proven that she can beat Dana's Beauty and she has the meet's leading rider in Pablo Morales as the Pilot. In addition she is perfect at this distance, so with that being said, this Stakes placed Filly looks poised to win today.

SPOT PLAY OF THE PLAY

Race # 3

(1) *Gins and Tins*

Trainer Scooter Davis, makes a sharp claim with this horse. He's incredibly versatile and has an absolute affinity for this surface at PID. He has a solid resume along with a rider who has been red hot this summer thus far. He's the pick in here, especially with the defection of "More Than Good".
