## BEST BET OF THE DAY

### Race #3

#### (4) ZORA

This well bred Daughter of Broken Vow ran a solid race last out, finishing second in a sprint race going 5 Furlongs. She is out of a stakes producing A P Indy mare, and she is screaming for more ground. She gets it today going the flat mile and with her running style she will fit absolutely perfect in this spot. This barn is absolutely firing on all cylinders at 75%, and jockey Ronnie Allen is riding lights out right now.

## SPOT PLAY OF THE DAY

### Race #7

#### (5) Mystic Twist

Just missing black type in her stakes debut last out, she ran huge the race before in the MSW winning by 7 ½ lengths in an absolute romp. She is going to drop in here against much lesser horses than she faced in her last out, and with Chilly Willie Martinez aboard, there isn't much left to the imagination. She will be very short odds today, so it looks as if she is a single in your exotics.
