ATTENTION AGENTS: No entries accepted from agents after 11:00am

ATTENTION HORSEMEN:

If you are shipping in please contact our stall person Andrea Moreno 814-323-6864.

Please keep this in mind as we conclude the final two months of the season, you will be expected average 5 starts per stall for the entire racing season. That amounts to one start every 33 calendar days/ stall. That applies to every stall assigned to you, whether empty, occupied by a pony, etc. Those numbers will weigh heavily on next year's stall application.

Therapeutic devices are not allowed on race day; Bemer or any other therapeutic blanket, magnawave or nebulizers. Subject to fine, per Stewards.

THE AREA DIRECTLY IN FRONT OF THE RECEIVING BARN (F-2) IS RESERVED FOR THOSE THAT ARE SHIPPING IN. IF YOU WORK IN A NEARBY BARN PLEASE FIND ANOTHER PLACE TO PARK YOUR VEHICLE. DO NOT PARK THERE RACE DAY MORNINGS OR RISK BEING TICKETED. THANKS IN ADVANCE FOR YOUR COOPERATION.

If you would like added to the Text list please Text PIDowns to 502-220-4443 to opt in.

For a published work. Please text horses name and distance prior to work. 419-670-3691. Failure to comply, Subject to fine per Stewards.

DO NOT tie open Exit doors to the wash bays in the barns as they block access to the electrical rooms and fire pump rooms. If caught doing so you will be subject to disciplinary actions.

Trainers with horse in please pick up your HORSE IN TODAY Sign from the Stall Man to be placed on the stall of any horse in each day. All Trainers or their employee MUST be with intoday horses for Lasix treatment at the scheduled time of administration. Horses not attended are subject to being scratched and fined. Per Stewards.

Horses placed on Stewards list for poor performance must work for State vet. Horses vanned off will have blood drawn a representative must be present. Horsemen requiring release of a horse from the vets list can do so by calling Dr. Pierce at 814-602-4647 to make an appointment. Please leave a message if no one answers.

Please make certain your employees are being diligent in putting the manure/straw in the bins and not on the ground. If they are taking it directly to the Manure Barn, please be certain it is getting inside the manure barn and not dumped in the road area. This is an environmental issue. Anyone who is observed not following these procedures is subject to fine and / or loss of stalls.
