## LONGSHOT PLAY

### Race #6

#### *(9) Watch the Dip*

This horse continues to keep knocking on the door at this level. Only beaten a length and a half in his last start against Tapsolution and Extra Medium. The latter came back to win just yesterday in the first race. At 12-1 on the Morning Line, this horse is very legit as a Longshot play here. I am hopeful that he will stay that way at post time, but the three scratches may change that. Any price at 5-1 or better would still be great for this horse.

## LONGSHOT PLAY

### Race #1

#### *(1) Chic N Wilbur*

Conditioner Kevin Rice drops this son of Animal Kingdom into this below average spot after running 3 straight fourth place finishes against much tougher company. This should be an easy test for a horse of this caliber today. Kevin is very good at getting aggressive with horses when need be and since the claim for \$8,500 on May 23<sup>rd</sup>, he has been useful but hasn't won yet. Kevin loves to win and win often, thus the aggressive nature of this placement. *A Hostile Takeover today?*
