Best Bet of the Day

Race #5

(5) LINGFIELD PARK

Conditioner Phil Schoenthal brings this very nice son of Verrazano into PID for a second time this year. He ran a solid race last time out to Lightning Charlie only beaten 1 ½ lengths after stalking pacesetter Mark the Moose for most of the race. His pedigree suits this surface to a "T", as this sire line is great for the Tapeta. He attracts the services of Antonio Gallardo once again, and if he can replicate that last race he should be victorious today.

Race #2

(3) Tales of Makenna

Dropping down into the \$6,250 level out of the \$12.5k, this Filly has put up some good speed figures against better horses. She has solid back class at the NYRA circuit, and with a trip over the strip here at PID on 9/27, and she should be ready to go against this lesser group. Morales jumps ship, but is replaced by a very capable Jock in Gaddiel Martinez.
