SPOT PLAY OF THE DAY

Race # 8

(3) *Song of Indy*

This versatile mare is dropping in here for the last week of the meet, into a spot that she looks to dominate. She has been a very versatile type here at PID, and Conditioner Mike Rogers has done a fantastic job with her. She was solid running with Emerald Citadelle two back. That aforementioned horse, is an absolute speedball, and was just too hard to catch. She won't face that kind of speed in here today, and she looks to cap off the meet victorious
