BEST BET OF DAY

Race #7

(9) *CARROTHERS*

Conditioner Kent Sweezy brings Carrothers back into PID, after a try at a Stake at Laurel. He is perfect at PID, winning a salty AOC here on 9/13. He has a lot of back class, including Graded Stakes company at WO, and solid ALW company at some of the biggest tracks around. He has a stalking pace style that should work to his benefit in this event. Gallardo is aboard and if he replicates his last race, then a Kodak Moment is coming.

SPOT PLAY OF THE DAY

Race # 1

(2) *My Boy Blue*

A winner two back with Gaddiel Martinez aboard, this horse comes back and runs a solid second against San Costantino, who by the way, was making a huge drop in class. That was the aforementioned horse's only competition that afternoon and My Boy Blue gave him all that he wanted. Conditioner Lilli Kurtinecz made a solid transition to PID from Cnl with this horse, and he looks to be the best in this spot.
