BEST BET OF DAY

Race #5

(6) *LOVELY EVER AFTER*

She looks to be a Woman among girls in this event. She is golden here at PID, always competitive no matter what. Conditioner Tim Girten is quite good at getting horse back after layoffs routing first out. She is 5/6 ITM here at PID, and 3/3 ITM at the distance. Her 1X (S) win was very competitive, and she looks to beat this field and capture the open 1X.

SPOT PLAY OF THE DAY

Race #3

(1) *JARETH*

A fixture here at PID, this is just an honest hard knocking horse that always tries. Entered in here at the bottom, coming off of the winter break, Jareth has been working very forwardly towards his 2023 campaign. 16/22 here at PID with 9 victories, this boy just always shows up. Regular Rider "Rock and Roll" Ronnie Allen, jr. is back aboard for Trainer Rory the "Red Barron".
