### Race #6

### (3) *ENSEMBLE*

Conditioner Brendan Walsh's ships into PID with a very live mare. She exits a tough OC 62k race at SAR last time out, facing some very strong opponents in that event. She won't find today's event as tough as the last out, and looks to be the best in here. Her speed figures are great, and she has shown an affinity for the Synthetic surface, being 3 of 4 ITM. Love her chances today.

## SPOT PLAY OF THE DAY

### Race # 3

### (2) *COMMODORE BARRY*

He drops out of the salty 1X on Aug 23<sup>rd</sup> and into this open \$8k claimer today. He faced an absolute monster in that race called "Wrote in Stone". That foe butchered everyone that day, as no one had a chance. Thankfully for his connections, he's not going to face that one this afternoon. Solid speed figures and a record to boot at PID, make this horse an interesting proposition.
