Race # 1

(3) NEON DEION

Conditioner Larry Rivelli brings this PA Bred into PID, after two failed attempts at the MSW level at HAW. This Colt will get a good deal of class relief against this group, and as far as the pedigree goes, he is very adapt to running over this surface. A solid third two back, over the weeds at HAW, which should transfer well to the Tapeta. Look for this horse to be the favorite, so plan accordingly.

SPOT PLAY OF THE DAY

Race # 7

(2) Serenade a Kitten

This daughter of Kitten's Joy, claimed two races back by Amaya, got to the Winner's Circle in her first race back for the new connection. A sharp claim, no doubt and she looks to add to her resume today, dropping into this \$15k claiming event. The Meet's leading Pilot comes right back to ride, which is always a good sign, for the connections and the public. Look for her to run down the speed today.
