BEST BET OF DAY

RACE # 5

(6) WORLDS ON HIGH

A winner last time out in the N2L for \$12.5k, Trainer Kevin Rice has this horse in solid form. He ran quite well on August 14th in the AOC, running second to a very good "Cantstealmythunder". He has consistently put up good numbers against better horses, and if he replicates those races like the last and earlier this summer, he should find himself in the Winner's Circle. In addition he is a son of Shanghai Bobby, and his pedigree is excellent for this surface.

SPOT PLAY OF THE DAY

RACE # 3

(1) RIA FORMOSA

Conditioner John Fennessy doesn't do anything crazy here, and keeps this filly in the right spot, after a solid second at this level last time out. I would like to see her lay a little closer this time, as there is not a lot of speed in here. It looks as if "Midnight in Prague" is the lone speed, (at least going long) but does show fade. She will need some pace up front to run at, and will also have to hold off "Geared Up" late. A well bred filly, looking good here.
