BEST BET OF DAY

Race #2

(1) RICHIES NOBLE GIRL

She gets in even easier in this N3L/dated condition race of Non Winners of 1 in a year. She comes out of a higher end barn that continues to produce each and every year. She was the beaten favorite last out, and had been very competitive in the SOC on June 4th. This looks to be her Sweet Spot here today, especially with all of the speed involved in this race, as her closing style looks to be the perfect combination for Victory today.

SPOT PLAY OF THE DAY

Race # 4

(3) FLEUR DELACOUR

This Social Inclusion Filly drops back into this State Bred event after running a solid second in the open MSW race on June 26th. She has faced much tougher in the last two events, including dominant winner Modarosa, who was entered Back in the stake here on Monday. The Sire progeny has excelled oner this surface, and it looks as if this Filly will have a bright future at this track, and in the PA program.
