Best Bet of the Day

Race #4

(4) ENJOY the MUSIC

A stalwart here at PID, this hard knocking gelding has amassed 12 wins over this strip in his career. He comes back today after having the winter off and solid works to accompany that. His bullet work on May 5th of :46 3/5 was very impressive, and it looks as if Trainer Matt Kintz has his charger ready to roll.

SPOT Play of Day

Race #3

(5) CANDY CAUSE

This Filly exits a very salty 1X at CD, where she was outclassed by better horses, and now she drops back into the right spot. She is perfect on the Synthetic, two starts, two wins. Trainer Linda Rice is excellent at placing horses in the right spots, and she is not scared to lose them either. It looks as if this horse could be the object of a hostile takeover today.
