4. Every 30 minutes from 5pm to 9pm, one person will be randomly selected through the kiosk to play Beat the Boss. A total of 9 players will be selected each promotional day.
5. Players are only allowed to be selected once per drawing day.
6. The game is played as follows:
 - There will be 26 suitcases on the prize wall ranging from \$5 in free play to \$10,000 Cash.
 - The contestant “Player” will select one of the suitcases from the prize wall to be “their prize”. That item will not be opened until the very end of the contestant’s game.
 - To play the game, the Player will select a pre-determined number of cases from the prize wall.
 - As the player selects the cases from the prize wall, those items are revealed and removed from the available prizes remaining.
 - After each round, “The Boss” will make an offer to the player (free play or cash) based on a probability matrix with the total remaining available prizes.
 - The Player will have 30 seconds to choose to take the Boss’s Offer or continue playing.
 - The number of rounds are as follows:
 - i. Round 1: Player will open 6 cases
 - ii. Round 2: Player will open 5 cases
 - iii. Round 3: Player will open 4 cases
 - iv. Round 4: Player will open 3 cases
 - v. Round 5: Player will open 2 cases
 - vi. Round 6: Player will open 2 cases
 - vii. Round 7: Player will open 2 cases
 - viii. Round 8: Player will open 1 case

- The game will end when the Player accepts The Boss's offer or chooses to take the amount enclosed in the envelope selected at the beginning of the game.
