Best Bet of the Day

Race #7

(1) NOBALS

He's been a Monster on the racetrack, with humble beginnings as \$3,500 yearling to Breeders Cup Turf Sprint Winner, Nobals is the type of horse that you dream of. He exits out of an AOC at the Mothership, which is basically a Stakes Race. His back class can't really be touched by anyone else in this field, and he does have an affinity for this surface. He started his career here with a win and it looks as if he will add to his victories with a W here today at PID.

SPOT Play of Day

Race #2

(4) CLASSIC KING

Coming out of the Red Hot Barn of Juan Arriagada, he drops down 2 levels after running two solid seconds for higher tags. Arriagada is a master at placing horses where they belong, and where they will be superior. You get the Meet's leading Pilot in Antonio Gallardo riding a horse that has not been off the board here at PID. It looks as if he will settle just off of the pace of City Leader, and pounce in the stretch.
