Race #3

#2 Ryu Mo

He exits out of basically the same type of race as today, running a very competitive second, only being bested by a runaway Winner in Braggart Joe. A strong Sprint type, he has never been off the board at this distance, and has shown an affinity for this type of surface both at TP and here at PID. He comes out of a great PID barn, (Girten) and has the same Pilot aboard here today.

Spot Play of Day

Race #6

#9 Starship Empire

He's been a Stalwart here at PID, winning 14 races to date. In addition he's a beast at the distance, only being off the board twice out of 18 attempts. This horse is basically push button, and an ATM machine for Owner/Trainer Ron Potts. With a good amount of speed in this event, his tactical abilities should shine through and get him his 15th win over this strip. He's a versatile horse that can adapt to pace scenarios when needed.
