Presque Isle Review and Preview September 24, 2026

After the Masters

Your horse is the winner of the Grade 2 Masters Stakes at Presque Isle Downs. After the race, you are interviewed in the winner's circle and asked, "So what are your plans for her?" This is how that question has been answered in recent years:

Gal In A Rush (2025) - Trainer Miguel Clement raced her one more time in the Ontario Fashion Stakes (Gr. 3 Can.) and finished second. She was sent to the Keeneland mixed sale in November 2025 where she was sold to 3C Stables for \$400,000.

Roses For Debra (2024) - She finished seventh at Keeneland for the Franklin Stakes (Gr. 2) the next month. A winner of nine of 16 starts, she went to auction in the Keeneland mixed sale in November 2024, where she sold for \$2.4 million to Whisper Hill Farm.

Artie's Princess (2022) - After winning her second Grade 2 race, she would not win another race, including the Bessarabian Stakes (Gr. 2 Can.) at Woodbine in November, a race she won in 2020. She sold at Fasig-Tipton Nov Mixed KY '24 sale to Airdrie Stud for \$115,000.

Hotshot Anna (2018 & 2019) - Following her first win in the Masters', she did not race until the following June in the Chicago Handicap (Gr. 3) st Arlington. It would set up a five-race win streak, including victories in the Satin & Lace at Presque Isle and The Masters. She then went on to win a Keeneland allowance race, and the Scherer Memorial at Fair Grounds. After retiring, she sold twice, the latest in Keeneland's mixed sale in November 2022 for \$400,000 to Frederick and May Construction.

Also, 2012 and 2013 winner Groupie Doll won the Breeders' Cup fillies and mares sprint those years, and 2009 & 2010 champ Informed Decision won the 2009 Breeders' Cup fillies and mares' sprint.
