Best Bet of the Day

Race #1

1 A P SWEETHEART

Trainer Jimmy Corrigan brings in this PA Bred from IND, via the TTC in Lexington, looking for the Filly's first victory. A well bred Daughter of Triple Crown Winner American Pharoah, this gal has been running a little over her head at times, but according to her pedigree she was certainly made out to be a nice horse. She drops in easy today, playing in her own sandbox against her fellow PA Breds. She should find this a much easier spot than what/where she has been running.

Race #2

#6 Moonpie Delight

Hailing from the #1 barn on the backside, Trainer Randy Russell, is going to drop this Filly to the lowest level that she's ever been at. The claiming tag cut in half here, she enters this race with a huge chance at victory today. In addition you get the #1 Jockey here at PID as the Pilot, and when these two Horsemen get together, they are almost unstoppable. Placed earlier in the year in a MSW and a \$25k MDN CL race, this spot should be an easy spot for her to graduate.
